How do I pay?

We know life can be a little busy even at the best of times, so we've tried to make paying as simple as possible. At Thrive Coaching we collect all payments via our paperless direct debit payment provider Go Cardless. Paying by Go Cardless saves time as it is quick and easy to set up and only needs to be done once. To make a payment simply set up an account with Go Cardless by visiting this link -

<https://pay.gocardless.com/AL0005W5JRN52R> (you will need your bank account number and bank sort code.) It should take no more than 2 minutes to do! Once you have done that your part is done! When a payment becomes due, we will notify you by email prior to the payment being taken and you can sit back and relax in full knowledge that everything has been taken care of.

When will you collect the monthly fee?

We will collect the monthly fee on or around the 1st day of each calendar month. You will be notified by email at least 3 days before the payment will be collected.

Can I pay without using Go Cardless?

At Thrive Coaching all attendees must pay via Go Cardless unless they have contacted us directly to make alternative arrangements. Go Cardless only needs to be setup once and takes only 2 minutes to do!

What is expected of each player during a session or match?

Thrive Coaching expects you to understand your role as part of the training squad and expects you to encourage each other; accepting mistakes will be made by all participants. If a player has any concerns or worries about their game and how they can improve they must feel at ease to speak with a Thrive Coaching member of staff at any stage.

We expect that players/participants will take the time to learn and understand the laws, rules and spirit of the game.

Players must inform the coach when they have an injury.

No offensive, abusive or insulting remarks shall be made toward any other player, official or parent. Enjoyment is the key to any successful player and Thrive Coaching players should never lose sight of that.
